Résumé : The epic that began with the HUGO and NEBULA Award-winning classic DUNE -- now a major motion picture from the director of Blade Runner 2049 and Arrival -- continues... More than three thousand years have passed since the first events recorded in DUNE. Only one link survives with those tumultuous times: the grotesque figure of Leto Atréides, son of the prophet Paul Muad'Dib, and now the virtually immortal God Emperor of Dune. He alone understands the future, and he knows with a terrible certainty that the evolution of his race is at an end unless he can breed new qualities into his species. But to achieve his final victory, Leto Atréides must also bring about his own downfall..
