Titre(s) : Octavia E. Butler's Kindred / a graphic novel adaptation by Damian Duffy and John Jennings ; introduction by Nnedi Okorafor.

Editeur(s) : New York : Abrams ComicArts, 2017.

Résumé : Everything the literature of science fiction can be. Walter Mosley That rare magical artifact... the novel one returns to again and again. Harlan Ellison Kindred, Octavia Butler's literary science-fiction masterpiece first published in 1979, tells the story of Dana, a young black woman who is suddenly and mysteriously transported from her home in 1970s California to the antebellum South. Dana moves between worlds: one in which she is a free woman and another where she is part of a complicated familial history on a southern plantation, forced to interact with and save the life of Rufus, a conflicted white slaveholder and one of her ancestors. Frightening, compelling and richly detailed, Kindred takes an imagined yet unstinting look at our complicated social history. Adapted as a graphic novel by celebrated academics Damian Duffy and John Jennings with the full co-operation of the Butler estate, Kindred explores the violence, sexuality, loss of humanity and twisted relationships engendered by slavery, in a format that introduces the work to a new generation of readers.
